

CATCH A RIDE WITH THE WARRIOR SHUTTLE

New for fall 2022: Expanded service for the Warrior Shuttle, making it even easier for you to get around campus—and off campus.

Whether you need a quick lift to The Center for Innovation and Research in Engineering and Computational Sciences, a grocery run to Market Basket, a visit to Tuscan Village to shop and eat, or a ride to the train station, the Warrior Shuttle will get you there.

WHAT MAKES THE WARRIOR SHUTTLE GREAT?

- » **CONVENIENT STOPS, BOTH ON AND OFF CAMPUS**
- » **IT'S YOUR FAVORITE PRICE—FREE!**
- » **PLENTY OF SEATS FOR YOU (AND ALL YOUR FRIENDS)**
- » **WEEKEND STOPS AT MARKET BASKET, CVS, THE LOOP (METHUEN, MA) AND TUSCAN VILLAGE (SALEM, NH)**
- » **SAFER, EASIER AND LESS EXPENSIVE THAN AN UBER OR LYFT**

THE LOOP IN METHUEN has everything you need for a perfect Saturday: a movie theater, lots of shops and plenty of places to eat. **TARGET** and **WALMART** are within walking distance too.

BLUE AND GOLD LINES: WHERE THE SHUTTLE GOES

The Warrior Shuttle has two lines.

On weekdays, the **BLUE LINE** will take you around campus and to off campus parking. On weekends, the Blue Line ventures off-campus so you can run errands, go shopping, eat out or catch a movie.

The **GOLD LINE** is an express line with fewer stops—use it when you need to catch a commuter rail train, park off campus, study at the library or get to Crowe Hall.

Take a ride to **SALEM, NH** and spend your Sunday at the **TUSCAN VILLAGE**. You'll love the fun vibes—outdoor restaurants, fire pits, games and music—and shopping, of course. **THE ROCKINGHAM PARK MALL** and movie theater are in walking distance.
