COME AS YOU ARE. LEAVE AS A WARRIOR.

Driven by our Augustinian Catholic mission, Merrimack is a community filled with energy and spirit. Where big ideas become reality, passions spark careers and community service and support are at the core of everything we do. Here, we foster a culture of fun, belonging and inclusivity where affordability and accessibility to a top-tier college education is a priority for all.

Through academic excellence, experiential learning, personalized attention and cutting-edge research, we create experiences that encourage collaboration, personal growth and success.

We get you. We got you. *Together, we are Warriors.*

OUR MISSION IS TO _____
ENLIGHTEN MINDS, ENGAGE HEARTS, EMPOWER LIVES.

SCHOOLS AT-A-GLANCE

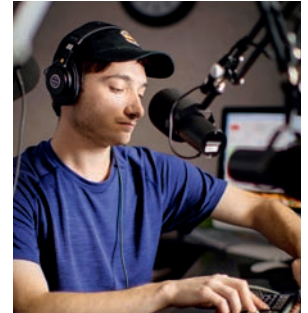

GIRARD SCHOOL OF BUSINESS

- // Get Bloomberg certified through the Mucci Capital Markets Lab and manage investment funds (including crypto!).
- // Turn ideas into solutions in our innovative Entrepreneurship Lab.
- // Continue onto a leading graduate degree in accounting, management or business analytics that can be completed in one year.

SCHOOL OF ARTS AND SCIENCES

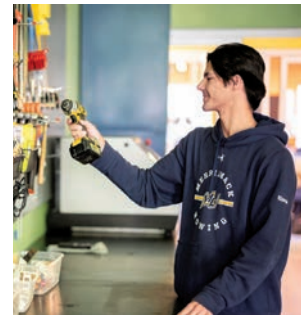

- // Engage in faculty-led research in our Learning, Memory and Sleep Lab and through prestigious efforts such as National Science Foundation and Mass Life Sciences grants.
- // Flex your communication skills on air through our Merrimack radio station or television studio.
- // Get a front-row seat to the American political scene in our Washington Semester Program.

**2024 Best
Undergraduate
Engineering
Programs**

World Report*

SCHOOL OF ENGINEERING AND COMPUTATIONAL SCIENCES

- // Study in new state-of-the-art facilities: specialized laboratories, innovation workshop, fabrication shop and student makerspace.
- // Join our Innovation through Engineering and Computing Science (iTEC) group for networking, collaborating and peer mentoring.
- // Explore undergraduate to graduate pathways in engineering, computer science, data science and more.

23 AVERAGE CLASS SIZE | 13:1 STUDENT-FACULTY RATIO

Our 100+ career-focused majors are designed with practicality in mind to help you build the RIGHT skills and knowledge to apply in the real-world. Focused

on exceptional teaching, our faculty foster a collaborative learning experience.

SCHOOL OF NURSING AND HEALTH SCIENCES

- // Benefit from required internships across all majors. And students in our accredited nursing program begin clinicals as early as year one!
- // Train on high-fidelity manikins, an Anatomage 3-D imaging table and in our state-of-the-art Nursing Center.
- // Explore our five-year pathway to a Master of Science in Athletic Training—the largest program in New England.

WINSTON SCHOOL OF EDUCATION AND SOCIAL POLICY

- // Gain field experience as early as freshman year with a 100% participation rate for internships.
- // Earn your Master of Education degree for FREE through a prestigious fifth-year graduate fellowship!
- // Start a five-year bachelor and master's degree in social work or school counseling.

GO BEYOND THE

Take advantage of opportunities and resources outside of the classroom to customize your Merrimack experience and build a pathway that supports your dreams and goals.

Honors Program

A rigorous curriculum and classes that encourage interdisciplinary learning and provides students with opportunities to pursue independent study and research with faculty mentors.

Austin Scholars

A close-knit community rooted in the tradition of St. Augustine, bringing together students who are passionate about leadership, service and community.

Compass Program

A transformational learning community with a powerful network of support, academic coaching and dedicated professors to help students develop the tools for a successful college experience.

SUPPORT & SUCCESS

At Merrimack, we will always have your back! Our support services start day one and are available on every level at your fingertips: in your school or through our college-wide support center.

Academic Success Center: Find workshops, programs and tutoring to help with everything from essay writing, test taking, study skills, time management, math and more—all under one roof and provided free of charge for ALL students!

\$4.6 million in research grants awarded the past two years.

Beyond the Classroom

CLASSROOM

Internships and Co-Ops

Our guaranteed internships and co-ops provide hands-on training, will build your resume and prepare you for a career you are passionate about.

Scientific Research

Assist our faculty researchers as they tackle topics such as concussion treatments, childhood nutrition, disparities in healthcare, microplastics and other major issues affecting our world.

Study Abroad

With over 25 experiences, you can spend a semester abroad (Italy) or choose a course that includes a shorter global experience (Iceland) to gain a better understanding of the world and enhance your career prospects.

Service Learning

Our commitment to community service is part of who we are. Participate in our campus-wide Mack Gives Back volunteer days or spend your break on an immersive SEND trip helping those in need.

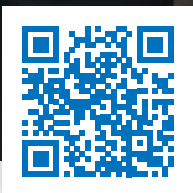

The Center for Health Inclusion, Practice and Research (CHIRP) offers student research opportunities focused on improving inclusive health equity.

Advising Centers: Whether you need to register for classes or find an internship, our school-based advising centers are your team of field experts cross-trained in academic support, career readiness, wellness and mental health.

Discover Program: If you are undecided on a major, we'll help you explore potential majors through specialized advising, workshops and more—all aimed at helping you declare a major by the end of sophomore year.

Dive into companies by major:

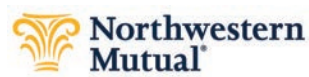

Our four-year **Warriors at Work Program** provides full-time, paid co-op experiences at top companies including Pfizer, Deloitte and Fidelity Investments.

INTERNSHIP AND CAREER SUCCESS

When it comes to career readiness, we believe getting outside of the classroom is key. At Merrimack, you'll complement your coursework with experiences like guaranteed internships, co-ops, service learning or faculty-led research projects and work with your career advisor to create a **customized career path.**

The ultimate goal? To help you acquire the skills, global perspectives and resume-boosters to land the job, launch the start-up or get into the graduate school you've always wanted.

BELOVED TRADITIONS

Homecoming, Spring Concert, Block Party, Mack Gives Back (and so many others!) bring our community together in fun and interesting ways.

CLUBS AND AFFINITY GROUPS
Build connections by joining others who share similar interests and passions, such as Women in STEM, the Merrimack Cultural Diversity Alliance or Austin Scholars.

BREAKING BREAD, a dinner and discussion on identity and equity at Merrimack, featuring a menu of traditional dishes from many different countries.

A HOME FOR EVERYONE

Merrimack's founding values of teaching, learning and serving inform our unwavering commitment to diversity, equity and inclusion. Together, we are committed to building and nurturing a culturally and racially diverse community, anchored in justice and respect for all.

STUDENTS FROM 40 STATES AND 50 COUNTRIES

26% STUDENT DIVERSITY *Incoming Class of 2027*

HEALTH & WELLNESS

Your ability to thrive in college is directly tied to your mental, emotional and physical health. That's why our investment in your well-being includes services and resources that go beyond the classroom.

Passionate about health and wellness?
Join our Wellness Peer Educators club!

» Our **Counseling Center** is staffed with licensed mental health professionals and offers free, private in-person counseling as well as 24/7 access to teletherapy services.

» Our **Office of Wellness Education** hosts a variety of activities throughout the year that nurture mind and body, relieve stress and promote self-care.

» Our **fitness center** spans 3 workout rooms full of equipment and personal training opportunities and 3 studio spaces with free classes like pilates, spin and yoga led by certified student instructors.

A TOP-TIER EDUCATION AT

At Merrimack, we are committed to making a private education affordable. Not only will you get all the academic programs and resources you'd expect from a large university, but you'll also benefit from personalized attention, added amenities and support services that are unique to Merrimack.

Tuition

Sticker price can be startling—especially when you haven't been reviewed for scholarships and aid yet. The good news is that “sticker price” (aka the full price you see listed for tuition, etc.) is almost never the actual amount that students pay.

Tuition and Fees = \$51,786

**Average annual tuition & fees
AFTER scholarships and grants*
= \$21,700**

**This is an estimated average for the class entering in fall 2023. To determine your final eligibility, complete the required admission and financial aid materials, including the Free Application for Federal Student Aid (FAFSA).*

Merit Scholarships

When you apply you are automatically considered for merit scholarships up to **\$28,500**. You will find out about your scholarship(s) at point of admission.

Financial Aid

To apply for need-based aid (grants, loans and work programs) file the Free Application for Federal Student Aid (FAFSA) using Merrimack's federal school code of 002120. Visit www.merrimack.edu/aid for up-to-date information regarding FAFSA deadlines, types of aid and a net price calculator.

Living On Campus

Students are guaranteed housing all four years at Merrimack! Housing can range from singles to doubles to apartment style. Students can choose from a variety of meal plans to meet their needs. Together, on-campus housing and meal plan costs can range from **\$19,995** to **\$22,917** per year.

Living Off Campus

Students also have the option to live off campus. When living off campus students have the choice of opting into a meal plan or not and can choose the commuter meal plan.

WARRIORS WANTED. APPLY TODAY!

You can apply for either a fall (August) or spring (January) start. Visit www.merrimack.edu/apply for first-year, nursing, transfer and international application requirements.

FRESHMAN DEADLINES

Fall Application Dates
