

ABOUT MERRIMACK COLLEGE

Merrimack College is a four-year, independent, Catholic college grounded in the liberal arts and guided by the teachings of St. Augustine. Merrimack's contemporary academic approach of fusing liberal arts with professional education means students become engaged and ready to make critical, moral and informed decisions of thought, communication and action in their own lives and in service to others. Merrimack offers a strong co-operative education program for all majors, undergraduate research opportunities and extensive service learning experiences that promote social responsibility.

- For the sixth consecutive year, *U.S. News & World Report* named Merrimack College a top ten regional school in its rankings of colleges nationwide in 2007.
- Merrimack enrolls 2,000 full-time and 300 evening students from more than 28 states and 21 countries.
- The student / faculty ratio is 12:1.
- 16 varsity sports for men and women

LEARN MORE ABOUT SPORTS MEDICINE

Are you interested in an exciting and fast-paced career in the field of sports medicine? If so, you

can learn more about the rewarding and promising opportunities by spending an afternoon with the Sports Medicine staff at Merrimack College.

Merrimack offers a **bachelor's degree in Athletic Training as well as Sports Medicine with concentrations: Pre-Physical Therapy and Strength & Conditioning.** Our academic program involves the study and implementation of those medical skills used in the treatment of athletic injuries and includes learning the means of injury prevention, the recognition and evaluation of sports-related injuries, the management, treatment and disposition of these injuries, and the rehabilitation of injured patients.

PROGRAM OUTLINE:

4:30 - 5:30 p.m.

Merrimack Athletic Training Room
See what our students are doing.
