I understand that if I win, Merrimack College will provide a \$15,000 / year scholarship for up to four consecutive years to major in Computer Science at Merrimack College. I also understand that this scholarship does not add to any merit scholarship that I also might receive and if I do receive a merit scholarship, I can choose the larger of the two.

I also acknowledge that I am currently a high school senior and expect to graduate in the spring of 2010 and enter Merrimack College in the Fall Semester of 2010.

I have read and understood and agree to all of the above.
