

Win a Four-Year Scholarship !

First Annual Computer Science Scholarship Competition

Merrimack College – Mendel Hall
Saturday, January 30, 2010 – 10:00 a.m.

What is the Computer Science Scholarship Competition?

It is an academic competition in which high school seniors will be tested on their quantitative, analytical and problem solving skills. If you have ever considered a career in computer science or information technology the Computer Science scholarship competition is for you.

Students will:

- Compete in a Computer Science scholarship competition for an annual \$15,000 scholarship to Merrimack College
- Learn more about computer science and information technology programs
- Meet current Merrimack College students and faculty and tour our facilities

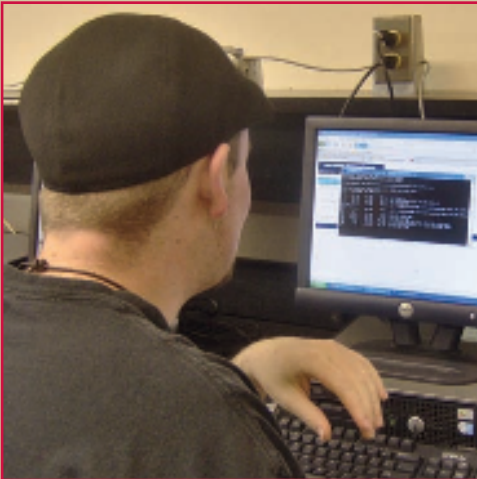

Prizes

The winning student will receive a \$15,000 scholarship to study computer science in the School of Science and Engineering at Merrimack College, estimated at \$60,000 over four years.

Register Today

The deadline to register for the event is Monday, January 15, 2010. Open to all high school seniors. There is no registration fee for the event. No preparation is required; see the contest site for more details.

To register, visit www.merrimack.edu/cs for contest schedule and rules. For additional information, contact Mary Noonan at 978-837-5145 or mary.noonan@merrimack.edu.
