

AES Engineers Scholarship Renewed - 2011

Please update your scholarship data base.

The consulting firm of AES Engineers is committed to continuing its support of higher education by providing scholarships to deserving students.

To be eligible the student needs to answer one of the essay questions that they will find on our site at <http://www.aesengineers.com/scholarships.htm>

Our belief is that achieving a high grade point average should not be the only criteria for determining who deserves to be helped. For that reason we are offering a scholarship that will be awarded on the basis of character, as determined by evaluating the essays that are submitted.

Amount of award: \$500.00

Deadline for entry: October 7, 2011

Further information, including previous winners, is available on our web site at:
