Bio: Hi everyone! First off, I just wanted to say that I am so excited to welcome you to the Honors Program here at Merrimack College! This is my first year as and Honors Peer Mentor and I could not be more excited. One overarching thing about me is my loud and fun personality and my 5'0" height. Even though my height isn't something that is always helpful, I try to be as helpful as can be! That being said, I am here to help you in anyway that I can. Some things about me are that I love chocolate, cheeseburgers, and Chipotle. I love spending time with kids, my friends, and of course my family. My favorite shows are *Greys Anatomy*, *F.R.I.E.N.D.S.*, and *How I Met Your Mother*. If I could live anywhere in the world I would love to live in London or Madrid. If you're looking to get involved on campus (which I definitely recommend) I can totally help you out! I hope you all have a great summer, see you in the fall!
