

Devin Clemons

Honors Peer Mentor

Hometown: Marlborough, MA

Class: 2019

School: Marlborough High School

Major: Pursuing Dual Degree in Finance and Management

Bio: I will be a Junior this coming year here at Merrimack! I have gotten involved in so many things on campus like becoming a Resident Advisor (RA) and joining the Orientation team. I am very outgoing and personable so these two things are by far my favorite teams to be a part of.

I knew I wanted to become a peer mentor because I love being apart of the Honors Program and I have worked my entire life as being a mentor for other people. I loved the way my mentor was always there for me whenever I needed anything, so in turn I am looking forward to being able to do that for you!

I love to do adventurous things, some of which include skydiving, zip lining, and cliff jumping. Roller coasters are my favorite rides at amusement parks and fried dough is my favorite thing to eat. A fun fact about myself is that I eat the leaves attached to strawberries.

Activities
