Bio: Hey guys! I'm Tori and I am super excited to do another year of peer mentoring because it is such an amazing program! I know the college process can be scary, so I want you to all feel as comfortable as possible. Once you branch out, join clubs, and meet new people it will be an amazing experience. I am here to help guide you all through the process and help discover where your place is at Merrimack. I am an extremely outgoing person and love talking to new people, so I cannot wait to get to know all of you. I look forward to sharing my experiences with you and helping you love Merrimack just as much as I do. Please feel free to email me if you have any questions or just want to chat!
