

Amanda Gallagher

Honors Peer Mentor

Hometown: Lutherville, MD

Class: 2020

School: School of Education and Social Policy

Major: Secondary Education and History

Bio: Hi all! I am so excited to be a peer mentor and to get to know all of you. My hometown is just north of Baltimore, Maryland so shoutout to all my people not from New England. Just a few things I think you should know about me: one of my favorite TV shows is Parks and Recreation (10/10 would recommend you watch it if you have not already), my favorite foods are all forms of potatoes, and one of my favorite things to do on campus is play intramural badminton. The college process can be super confusing, so I'm happy to be here to help you guys throughout your transition. If you have any questions or just wanna talk feel free to send me an email! I can't wait to meet to you all!
