Bio: Hi everyone! This is my first year of being involved in the Honors Peer Mentoring Program. I am so thrilled to become a part of a program as great as this one. College is a huge transition for each and every first year, and I am so grateful for the opportunity to help all of you in any and every way I am able to. I am a very optimistic, fun-loving person who cannot wait to meet and get to know as many of you as I can. I am a great listener and want to help you guys enjoy your first year of college as much as possible. If you have any questions or concerns, please do not hesitate to shoot me an email. Remember that I was in your position not long ago! See you all soon!
