Hometown: Belmont, MA

Class: 2020

School: School of Education and Social Policy

Major: Elementary Education/ Human Development

Bio: Hi guys! This is my first year as a peer mentor and I am looking forward to getting to know you guys through this program. I wanted to become a peer mentor because I had a tough time adjusting to college and I know my peer mentor helped me out a lot so I want to do the same for you guys!

On the less serious side you guys are going to have an amazing time here at Merrimack! Here on campus every night you can find me having a dance party or watching shows like “The Bachelor” in my room. On the weekends, whether or not I am on campus, you can usually find me at a hockey game too. I love everything Disney and I am guilty of knowing all the lyrics to every One Direction song.

I know college can be a huge transition, but it is honestly an amazing one. I can’t wait to see you all here in the fall!
