Class: 2020

School: Girard School of Business

Major: Business Administration, Concentration in Accounting

Bio: Welcome to Merrimack incoming first years! I will be a sophomore in the fall and am thrilled to be a peer mentor. I am so excited to meet all of you and help with the transition from high school to college, as I personally struggled myself. I am a very friendly and sociable person who enjoys watching sports so you can usually catch me at a soccer or hockey game on the weekends. If I am not at a game, I am almost always spending time with my friends and family, as I love being surrounded by people. If you have any questions, concerns, or just want to talk don't hesitate to email me!
