Major: Human Development with a Concentration in Early Childhood Education

Minors: Psychology

Bio: Hey everyone! Welcome to the Honors Program! One day I hope to become an Early Childhood Education teacher. Before I began school at Merrimack, I was super nervous, as some of you may be now. But after meeting new people and becoming involved on campus my very first semester, I can say I absolutely love it here, and I know all of you will too! I am a very approachable, caring, and friendly person. My favorite things to do are dance and spend time with people. I am very excited to meet you all in the fall and guide you through your first year as Merrimack Warriors. Please feel free to email me with any questions you may have or even if you just want to talk! I'd love to help you out. See you all soon!
