*Honors Peer Mentor*

**Hometown:** Stoneham, MA

**Class:** 2019

**School:** Science and Engineering

**Major:** Athletic Training

**Bio:** Hi guys! My name is Jacky and I am super excited to get to know the Class of 2021. This will be my second year being involved with the Honors Peer Mentor Program. As an honors peer mentor I want to help as many people get involved in the Honors Program and help you guys get adjusted to the campus and what it is like to be apart of the Merrimack community. I came to Merrimack because I love the community feel and how welcome I felt from the minute I stepped onto campus. Seeing familiar faces walking to class or to the dining hall is one of my favorite things, everyone is so friendly. There are so many different ways to get involved which is something I really enjoy here at Merrimack. Don't hesitate to reach out if you have any questions at all!
