Bio: Hey Everyone! Congratulations on your acceptance and welcome to the Merrimack College Honors Program! This is my first year as an Honors Peer Mentor and I could not be more excited to be working with some of you! For me, it is extremely important to help incoming students make the challenging transition from high school and college. I am here as a guide, mentor and a friend! I am looking forward to being a resource to navigate not only the Honors Program, but academics, involvements and everything else Merrimack has to offer!

If you are looking for somebody who is reliable and goofy all in one, I AM YOUR GUY! I cannot wait to meet all of you and be that resource and upperclassman friend early on in your college career! Feel free to email me with any questions or to get to know me better! I will see you all soon!
