Bio: Hey everyone! My name is Elizabeth, but you can call me Liz. This is my first year as an Honors Peer Mentor and I'm really excited to get to know you guys! For me, the transition from high school to college was bittersweet, as it was both exciting and scary at the same time. I'm here to help and guide you through your own transition. I hope to make it as memorable and fun as possible, just like my mentor did for me!

I consider myself to be very trustworthy and I want you to be able to come to me with any questions, concerns, or experiences you might have. I am a funny and outgoing person, as I love to laugh and make jokes. I care about everyone I know and I want the best for them, just like I do for you!

I love sports, hanging out with my friends, warm weather, and simply creating unforgettable memories with my friends and family. I can't wait to create a bunch of great memories with you guys! If you have any questions at all don't be afraid to email me!
