

MERRIMACK COLLEGE

FIRST Scholarship Application

Scholarship Description

In support of the FIRST mission, Merrimack College is offering up to five, merit-based scholarships, each for \$10,000, to high school seniors who have participated on a FIRST team during their school career. This scholarship must be utilized by students studying in the School of Science and Engineering at Merrimack College. The scholarship is renewable up to a total of \$40,000 over four years contingent upon majoring within the School of Science and Engineering, as well as maintaining good academic standing and the Dean's recommendation. Each recipient must meet the regular academic requirements for admission to Merrimack College's School of Science and Engineering.

Eligibility

To be eligible for this scholarship, you must:

- Be a senior in high school
- Have participated on a FIRST Robotics Competition (FRC) or a FIRST Tech Challenge (FTC) team
- Apply and be admitted to Merrimack College as a full time student (However, please note that you do not need to have already been admitted at the time you apply for this scholarship).
- Apply to a major within the School of Science and Engineering

Scholarship Application Package Contents

To apply for the Merrimack College FIRST Scholarship, complete the application package, including:

- A completed Merrimack College FIRST Scholarship Application
- A 150 word essay stating how your FIRST experience has benefitted you, and what your aspirations are with respect to studying a major within the School of Science and Engineering
- A letter of recommendation from an adult mentor/coach on your FIRST team

Submission of Scholarship Application

The completed FIRST Scholarship application package must be submitted no later than February 15.
