Bio: Hi there! My name is Alexis, but most people call me Lexi. This is my second year as an Honors Peer Mentor, and I am excited to meet all of you! I am heavily involved on campus in several different offices and areas and I hope I can use some of my knowledge and love for Merrimack to help you make your transition into becoming a Warrior as easy as possible! It is my goal to help you find your individual comfort zone here on campus, while also challenging everyone to find something new they can fall in love with. Please feel free to reach out and email me if you have any questions about anything!
