**Bio:** Hi! I'm Ali and I'm from Cape Cod! I am studying Business Administration with a concentration in Marketing with a minor in Communication and Media. I am so excited to get to know you! I can truly say that Merrimack has become my second home and the Honors Program has allowed me to reach my full potential. Yes, the transition from highschool to college can be scary, but that's what we are here for! I wanted to become an Honors Peer Mentor so I could help future warriors find their place here at Merrimack.

Here are some fun facts about me: I like the beach, baking, crafts, photography, traveling, adventures and tea. I lived in Philadelphia as a kid and that is where part of my family is from.

My advice to you coming in as a freshman is to get involved in as much as you can. Becoming involved is where you will find yourself and your friends!
