Bio: Hi everyone! I am super excited to be a Co-Coordinator for this year's Honors Peer Mentoring Program. I had a great relationship with my Peer Mentor my first year, then, my second year I was given the opportunity to be a Peer Mentor, myself. Last year I was happy to be an Assistant Coordinator and now I am ready and prepared to take on the challenge as a Co-Coordinator! We have great group of 20 Peer Mentors that we hand selected for you all to choose from. We did our best to provide you with a wide variety of students and we hope that you find a love for this program just like we all do!

If you have any questions please do not hesitate to reach out. Go Warriors!

PS: If you are a resident in Ash Centre I might be your RA!
