## **Bio:**

Hi everyone, I'm so excited to meet you all and get to know you. Freshmen year is a blast and the beginning can be a little rough with the transition but don't worry, we got your back. My freshmen year was amazing because of all the support and love the Merrimack community has to give. When I came into Merrimack College, I had a list of clubs and organizations I wanted to join and through the help of my Peer Mentor, Resident Advisor, and Honors Community, I was able to check some of those goals off and that's what we are here for, to help you check your goals off and achieve as much as you can.

When I'm not occupied with school and extracurriculars, I love camping, running, reading, and kayaking.

Can't wait to help you achieve your goals.
