*Honors Peer Mentor*

**Hometown:** Lee, Massachusetts

**Class:** 2021

**School:** Health Sciences

**Major:** Nutrition

**Bio:** Hello! My name is Emelia and I am a rising Sophomore and a member of the Honors Program. I am obsessed with pugs, burritos, The Office, and my Prius. In my freetime, I love hiking in the summer, and snowboarding in the winter. As a peer mentor, I will be a resource for you about all things Merrimack, and the Honors Program! I'd love to answer any questions you may have as an incoming student. I was very nervous about coming to Merrimack because it is two and a half hours away from my hometown, but I'd love to share my experience with you. Aside from being a resource, I will also be a familiar face around campus and I will help you begin to build your own community at Merrimack! As a practicing Catholic, I'd love to help incoming students get involved with campus ministry, and any other clubs that Merrimack offers!
