**School:** Girard School of Business

**Bio:** Hi guys! My name is Emma and this is my first year as a Peer Mentor and I'm wicked pumped to meet you all! Going from a senior in high school to a freshman in college was super exciting, as I was looking forward to finally being a part of college life. My peer mentor helped me find my place here at Merrimack last year, and I want to do the same for you all!

As a Peer Mentor, I am here for you guys, no matter what. Whether questions about clubs, classes, anything! I am always joking with my friends about Vine references and memes, but also being studious and working hard.
