Bio:

Hey everyone! I'm Kate and I am one of the peer mentors for the class of 2022! This is my second year as a peer mentor and I am really excited to get to know you guys! I became a peer mentor because I had a tough time adjusting to college and I know my peer mentor helped me out a lot so I want to be able to be a resource for others.

I know you guys will love it here on campus! We always have fun stuff do in and out of the Honors Program! Here on campus I'm usually hanging out in my room watching *The Office*, having a dance party or hanging out in the SAK. On the weekends, whether or not I am on campus, you can usually find me at a hockey game.

I know college is a big jump from high school, but it is honestly such an amazing journey. I can't wait to see you all here in the fall!
