School: Merrimack College

Major: Biology

Bio:

Hi guys! I'm really excited to meet everyone and to become a peer mentor! I know coming to college is both terrifying and really exciting at the same time, I was just in the same position as you guys were. I'd like to think I'm a "nice" new Yorker but I'm also a Yankees fan so shout out to all non-red sox fans. I also play on the softball team here and can answer any questions that any students or student athletes have with anything! I love the office and any crime shows like SVU or criminal minds. HUGE fan of food and will definitely be down to eat any or all different type of food with my group!! Looking forward to meeting all of you, if you have any questions don't hesitate to email me.

General Note: Do NOT include anything that is not relevant to your life anymore. EX: If you no longer do service at your church, then don't include it on here.
