*Honors Peer Mentor*

**Hometown:** Barrington, NH

**Class:** 2021

**School:** Girard School of Business

**Major:** Business with concentrations in Finance and Marketing

**Bio:** I would like to start off by saying that I'm so excited to be a Peer Mentor because I love meeting and getting to know new people! I grew up in a very small town (there's actually only one stoplight in the whole town), so I've really enjoyed transitioning to living at Merrimack College. Even though I've only been at Merrimack for one year, I already feel like I have made so many memories! One of my favorite things to do is go to dinner at Sparky's with all of my friends from my hallway. We'll get dinner (and sometimes ice cream of course) and just relax and talk about our day and there are always funny stories! I also love going to the gym and I try to go as often as I can. I am excited to meet you guys and get to know you as well! I hope that I can share my college experiences so far with you to help you have a great freshman year! Please feel free to reach out, I am more than happy to answer any questions!
