

# Leslie Lima

*Honors Peer Mentor*

**Hometown:** Lawrence, Ma

**Class:** 2021

**School:** Science & Engineering

**Major:** Civil Engineering

**Minors:** Mathematics & Environmental Studies and Sustainability

**Bio:** Hey guys! Congratulations on your acceptance to Merrimack! As a first year peer mentor, I am thrilled to welcome the class of 2022 to the Honors program. As a mentor, friend and resource my focus is to serve as a liaison who will facilitate your transition into college. I know many are you are nervous but I am here to help you navigating through the honors program, academics and extracurriculars. Merrimack has so much to offer and it is important you make it your own by getting as involved as you can.

I am looking forward to sharing my own experiences with you and/or answering any question you may have. Do not hesitate to reach out to me at any point. See you soon!
