Bio: Hi everyone my name is Maddy I am looking forward to meeting you guys and being an Honors Peer Mentor. Being a part of the Honors program has been such a beneficial resource to me my freshman year and I am excited to help you all on your journey and answer any questions that you have. Coming into Merrimack I definitely utilized my Peer Mentor a lot and they really helped me figure out my classes, my major, and any other questions I had along the way. Being a part of the Health Sciences and being a Business minor gives me a broad look at what Merrimack really has to offer. A few things about me are that I am on the Dance Team, I love my dog, I love the beach, outdoors, hanging out with friends and going on spontaneous road trips/adventures! I am excited to get to know some of you and feel free to email me anytime with any questions you have! I look forward to meeting you!
