**Bio:** Hello Everyone! First let me tell you how excited I am to be a peer mentor and welcome you to the honors program! Merrimack has become a home away from home for me. I know some of you are probably both scared and excited for college (I was too). After getting involved on campus and meeting new people, I felt more comfortable. As a peer mentor, I will be here to help you along the way and hopefully make you feel more comfortable. I enjoy meeting new people and cannot wait to meet all of you.
