**Bio:** Hey! I'm Maddie and I'm super pumped to be a part of honors peer mentoring this year! The honors program was the deciding factor for me in the college process and is ultimately why I came to Merrimack. It is such an amazing program filled with like-minded people! I know the college process can be super intimidating and scary so I am here to help you in any way that I can! The clubs I've joined and people I have met along the way have made me fall in love with Merrimack and I can't wait for you to fall in love with it too! A few fun facts: I love hiking, skiing, running, traveling, hanging out with friends, and watching Netflix! I am really friendly and personable and want to get to know each and everyone of you! Feel free to email me with any and all questions! I remember I had so many questions before move-in so ask away! Can't wait to meet you all soon, the best is truly yet to come!:)
