Bio:

Hey guys! I am excited to be a peer mentor and meet some new Warriors! To be honest, I was extremely anxious coming into college, but the resources at Merrimack such as my peer mentor, really made the transition a lot smoother. I am looking forward to helping you through the beginning of your time here whether it's giving advice, sharing my own experiences, answering questions, guiding you towards opportunities or simply being a new friend. I am studying to become an elementary school teacher because I have always loved working with kids. I love art, watching FRIENDS, surfing Pinterest, cooking, and hanging out with my friends. On campus, my friends and I like to have our own movie or Uno nights, go to the hockey games, and attempt to do Zumba at the gym. I love Merrimack College (and the Honors Program!) and I hope that you will love it too. See everyone soon!
