Honors Peer Mentor

Hometown: Medway, MA

Class: 2021

School: School of Liberal Arts

Major: Psychology and Social Justice

Bio: The transition from high school to college can often be intimidating, so it is always helpful to have a friend right from the start. My peer mentor was that supportive friend for me, and I would love to be yours! I enjoy playing sports, spending time with friends, and traveling. My experience so far at Merrimack has been extremely positive; the community is very welcoming and it is easy to make friends. I hope you will enjoy your time on campus as much as I do!
