Bio: Hey guys! This is my first year as an assistant mentor coordinator, but my second year being involved with this great program. The transition from high school to college is an important time of your lives that can be stressful and filled with tons of questions so always feel free to reach out!

I am super involved on campus from being involved with Orientation to Varsity Athletics on campus. I am looking forward to meeting you all and helping to make your Merrimack experience as great as mine has been.
