

Taylor McNeil

Hometown: Tewksbury, MA

Class: 2019

School: Education & Social Policy

Major: Human Development and Elementary Education

Bio: Hi everyone! I'm Taylor, I will be a senior in the fall, and this will be my third year involved in the Honors Peer Mentoring Program. I was fortunate enough to spend my sophomore year as a Peer Mentor, helping incoming students with their transition into Merrimack, and this past year as an Assistant Mentor Coordinator, helping to keep the program running smoothly!

Currently, I am studying to become an elementary school teacher, and in my spare time, when I am not working or studying, I love drinking coffee, shopping for clothes, and doing anything crafty. I also love to travel and go on vacations.

I'm sure you are both excited and nervous to begin your college journey, but for now, enjoy the rest of your summer; however, I encourage you to reach out if you have any questions about anything. I look forward to meeting you in the fall!
