This form is utilized in consideration of a student's request for medical housing and/or medical parking accommodations. The information you provide will be helpful to determine reasonable accommodations within the student's need and what is available on the campus. Information provided herein is closely considered, but is used only as a recommendation of the student's needs. Medical documentation will be kept on file at the Accessibility Services Office, will be considered confidential health information and will be accessed only by personnel involved in evaluating and providing reasonable accommodation requests.

Please attach copies of current, comprehensive tests and/or laboratory work that support the student's diagnosis. Any documentation should be submitted on professional letterhead, signed, and the qualification of the examiner should be provided. The provider cannot be a relative of the student. Note: If allergies or asthma provide the basis for a special housing request, full medical documentation, including any skin test results for allergies is required.

For all requests, please include the following information:

1. Specific Diagnosis(es): _____
2. Date of Diagnosis(es): _____ Date of most recent student contact: _____

Merrimack College provides reasonable accommodations to students with documented disabilities who qualify under the Americans with Disabilities Act of 1990 and Section 504 of Rehabilitation Act of 1973. These laws define a person with a disability as one who has a physical or mental impairment which substantially limits one or more major life activities. "Major life activities" include, but are not limited to functions such as walking, seeing, hearing, speaking, breathing, learning, caring for one's self, performing manual tasks, reproduction, and work.
