Hometown: Clifton Park, NY

Class: 2022

School: Shenendehowa High School

Major: Biology

Minors: Business Administration

Bio: Hi everyone! I am so excited to be a peer mentor! I am a bio major and just declared a business administration minor. Last year it was so nice to have someone help me through the transition from high school to college so I hope to do the same for you. I am on the Merrimack field hockey team so I can help with time management and organizational skills so you don't get overwhelmed with your new lifestyle. In my free time, I enjoy hanging out with my friends, shopping, and trying new things. I can't wait to meet all of you! If you have any questions at all, feel free to email me and I will answer to the best of my ability. Go Warriors :)
