

Krista Brown

Honors Peer Mentor

Hometown: Wilmington, MA

Class: 2022

School: Wilmington High School

Major: Pre-med Biochemistry

Minors: Spanish

Bio: Hello everyone! I am so excited to be a peer mentor and meet everyone. As a peer mentor, I will make sure that everyone's transition is smooth and help you throughout your freshman year. I have been on a study abroad, so if you are curious about this process, I will gladly answer any questions that you have! In my free time, I enjoy singing, painting, reading, and having movie nights, as well as traveling. I am a huge Disney, Marvel, and Harry Potter fan, and will be up for a debate or discussion at any given point, comparing and contrasting plot points and characters. Please let me know if you have any questions, and I look forward to getting to know all of you.
