

Olivia Beauchesne

Honors Peer Mentor

Hometown: Lawrence, Massachusetts

Class: Junior

School: Education & Social Policy

Major: Human Development & Human Services

Minors: Education & Psychology

Bio: Hi I'm Olivia and I'm super excited to be apart of the Peer Mentoring Team. I enjoy getting to know new people and love helping/being there for others. College can be a tough transition for some and I would love to be that supportive friend a person may need along the way. I have a twin sister, an older brother and dad who are all here on the Merrimack campus. I enjoy hanging out with friends, listening to music, and watching a lot of Netflix, One Tree Hill will forever be my favorite show! I am also a huge fan of dogs and remaining active by playing sports! I hope your college experience finds you well and you enjoy your time here at Merrimack!
