

Sarah Lombardi

Honors Peer Mentor

Hometown: Old Saybrook, CT

Class: 2022

School: Health Sciences

Major: Athletic Training

Hey everyone and welcome to Merrimack! I am so excited to meet all of you and share my experiences with you, as you embark on your new college journey! I bet you may be feeling nervous, transitioning to college. Believe me, I was in the same place you were not too long ago. However, my freshmen year was awesome, due to all the love and support I received from the Merrimack community. Having the honors peer-mentoring program and so many other wonderful resources on campus, made the transition to college so much easier. Whatever your goals may be heading into college, I am here to help you successfully achieve them! I am very excited to connect with all of you! I am a very friendly and kind person, so please don't hesitate to reach out with any questions you may have! Merrimack has truly become my home away from home, and I love everything our school has to offer and the supportive community along with it! When I am not busy with school, You can catch me on the softball field, or playing my clarinet at the hockey games. I love spending time with my friends, photography, skiing, and binge-watching grey's anatomy! Anyway, I can't wait to meet all of you so soon! Welcome home Warriors!
