### About Merrimack

Founded in 1947 by the Order of St. Augustine, Merrimack College is an independent, private college with robust programs in business, education, engineering, health sciences and the liberal arts, whose mission is to enlighten minds, engage hearts and empower lives.

### O'Brien Center

The O'Brien Center for Career Development empowers students to explore their strengths and values, and engage with professional opportunities and connections in order to successfully pursue a meaningful career and life. From one-on-one career advising, to "best fit" internships, co-ops, and jobs, to the Professional Development Retreat, our signature 2-day program for juniors and seniors, we offer students a mosaic of opportunities to become their most successful self.

### Career Outcomes

Career Outcomes are defined as the percentage of graduates who fall into the following categories employed full time, employed part time, participating in a program of voluntary service, serving in the U.S. Armed Forces, or enrolled in a program of continuing education.

Knowledge Rate is defined as the percent of graduates for which the institution has reasonable and verifiable information concerning the graduates' post-graduation career activities.
