

Krista Brown

Honors Peer Mentor

Hometown: Wilmington, MA

Class: 2022

School: Science and Engineering

Major: Pre-med Biochemistry

Minors: English

Bio: Hello everyone! I am very excited to be a peer mentor and to meet all of you. As a peer mentor, I will strive to make everyone's transition throughout freshman year be smooth. I have been on a study abroad in Italy, so if you are curious or interested in this process, I will gladly answer any questions that you have! In my free time, I love singing, painting, reading, acting, and traveling! I consider myself to be a huge Disney, Marve, and Harry Potter buff, and am always up for a lively discussion, whether it be comparing plot points or debating characters. Please let me know if you have any questions, and I look forward to getting to know all of you!
