Bio: Welcome Class of 2024! I am so excited to meet all of you! The Honors Program is an amazing program where you'll meet so many new and amazing people! It is totally okay to be nervous because we were all in your shoes once, but the rest of the peer mentoring team and I are here to help make this transition as easy for you as possible! I have learned to love this school and adjust pretty quickly. This school has so many opportunities to get involved and to meet a ton of new people. I am very friendly and easy going, so please don't hesitate to reach out to me or say "hi" to me when you see me around campus! I can't wait to see what this year has in store for all of you and I am always here if you have any questions or if you just want to talk!

See you all soon!
