Deadline for submission to Office of Financial Aid: August 19, 2022

This form must be used to support a student’s Quantitative Satisfactory Academic Progress (SAP) Appeal for the consideration of reinstatement of financial aid, and is separate from any academic appeal procedures.

**To be completed by the student:**
Student Name (print): ___________________________ Merrimack ID: ____________

**Note:** Bring your SAP letter received from the Office of Financial Aid to your academic appointment.

**Completion Rate – what does it mean?**
All financial aid recipients must complete at least 67% of attempted hours in order to continue to qualify for financial aid. You may calculate your completion rate by counting all hours successfully completed and dividing them by the total of all hours attempted. Successful completion includes grades of A, B, C, or D. Unsuccessful completion includes grades of F, I, N or W.

You will want to be sure you are in all of the correct courses for each semester. It is your responsibility to keep track of your completion rate percentage to ensure you are meeting the requirement of the SAP policy.

**STUDENT STATEMENT:**
I understand that my overall completion rate is below the SAP standard. In order to maintain eligibility for financial aid I must complete 100% of all coursework outlined in my academic plan. Furthermore, I understand that failure to meet the requirements will result in my becoming ineligible for additional financial aid assistance in future terms until such time as I meet the conditions of the Satisfactory Academic Progress Policy.
