Welcome to campus! As your new dean of students, I’m here to address all your needs — academic, personal, wellness-centered — and coordinate the social activities that make campus life such a blast. This includes our legendary block party, Spring Concert, student clubs, wellness activities and so much more.

I invite you to explore the exciting new developments on campus so you can make the most of your Merrimack experience — and have your best year yet.

See you around campus!

Rebecca “Becky” Jimenez
Dean of Students

Congratulations, Allison!

Allison Gill, Ed.D., has taken on a new and expanded role as the Vice President of Student Affairs and Success. In addition to overseeing Student Affairs, she now also provides leadership to the Academic Success Center and the O’Brien Center for Career Development. The goal? To help YOU succeed in every aspect of your Merrimack experience.
