You will want to be sure you are in all of the correct courses for each semester. It is your responsibility to keep track of your completion rate percentage to ensure you are meeting the requirement of the SAP policy.

I understand that my overall completion rate is below the SAP standard. In order to maintain eligibility for financial aid **I must complete 100% of all coursework outlined in my academic plan.** Furthermore, I understand that failure to meet the requirements will result in my becoming ineligible for additional financial aid assistance in future terms until such time as I meet the conditions of the Satisfactory Academic Progress Policy.
