2024-2025 Grant/Scholarship Verification

Student Name _____ Merrimack ID# _____

On your 2024-25 FAFSA, you or a parent have reported an amount in “**taxable student grant and scholarship aid as reported to the IRS in your Adjusted Gross Income on your Federal tax return**”. You should only report an amount in this question **IF** you were required to list taxable grant or scholarship aid on a federal tax return. (Typically, this is reported on the front page of the 1040 as INCOME). **Please look at your and/or your parents’ 2022 federal tax return to see if you reported grant aid as income AND paid taxes on that amount.**

Please check Box #1 OR Box #2 and #3:

- 1. The student and the parent did **not** report any taxable grant or scholarship aid on a tax return and I/we mistakenly reported this information on the FAFSA. (The Financial Aid Office will correct the information on your FAFSA for you).

NOTE: If you checked Box #1, please sign below and return to our office. If you didn’t check Box #1, proceed to Boxes 2 and 3.

- 2. Parent reported \$ _____ in taxable grant or scholarship aid on a federal tax return.
(Please supply a copy of the 2022 federal tax return to verify this)
- 3. Student reported \$ _____ in taxable grant or scholarship aid on a federal tax return.
(Please supply a copy of the 2022 federal tax return to verify this)
