

Marissa Borgesi

Honors Peer Mentor

Hi everyone! My name is Marissa and I am a rising Junior here at Merrimack. Once graduated I plan on attending dental school to achieve my life long goal of becoming an oral surgeon in order to help others. I am so excited to have the opportunity to meet and guide you all through your transition into Merrimack. Please feel free to reach out and I will answer any and all questions you may have!

I love to spend as much time as I can outside especially when the weather is nice. If I have any free time I will watch/attend the sporting events, especially hockey. My favorite food is definitely any type of pasta dish and I LOVE chocolate.

Top 3 Personality Traits

1. Hardworking
2. Trustworthy
3. Dedicated
