

Elisha Care

Hi Everyone! My name is Elisha and I am a rising Sophomore here at Merrimack. I'm excited to meet all the new faces arriving here on campus and I hope to be a resource throughout your first semester here at Merrimack!

In relation to school, my future hope is to continue on to become a Physician Assistant. Outside of school, I enjoy a good iced vanilla chai! I love country music and am a massive animal lover (just wait till you see my dog Goose!!) and unfortunately I spend a lot of my time working. If anyone has any questions or would love to chat feel free to reach out!

Top 3 Personality Traits

1. Bubbly
2. Dedicated
3. Sincere
