

MARIIA DIAHILIEVA

Honors Peer Mentor

Hi there! My name is Mariia and I'm an international student who moved to the US two years ago and one of those years I spent in New Hampshire. I absolutely love walking and believe that vitamin D is the strongest drug there is. My Pinterest is filled with aesthetic locations where girls are doing everything "for the plot," and my TikTok features young women who girlbossed too hard and are trying to reinvent themselves through pottery. I always have a smile on my face and I'm always eager to learn new things and meet new people.

Campus Jobs

Peer tutor at the Math Center
